

*There is no reason why anyone needs to go
it alone if we can all just Come Together!*

What is Community Dare to Care?

To answer bluntly, it is help when you need it. The anti-thrift store Community Dare to Care offers the donations entrusted with Community Pay it Forward to reach out and connect with the community in needs. Offering free of charge housewares, clothing, furniture, child needs, food assistance, fuel cards, grocery cards, resources, groups, and so much more. Creating an outreach that is a direct path of From the Community to The Community, to Support the Community. We work directly with donated items and as for the time being are being run and funded by Community Pay it Forward Fundraising Program. We are taking steps to soon be registered as a fully licensed and authorized 501c3 non-profit organization. Community Dare to Care also hosts, creates, and operates fundraising events working directly within a created budget for your needs. We are proud to be a strong part of a small business community who work directly with companies, artists, musicians, children, and locations in the community to keep local strength in the forefront of all we do.

Community Dare to Care is proud to offer, with no bias, help to anyone who needs our assistance. "There is no reason to go cold, when we all have clothing that is not being worn. There is no reason to go hungry, when there is food to eat," is the vision rule of our mission. We will be there when people are finding themselves in a time of need, and a simple donation can help to lift a stress from a difficult situation.

While the premise is easy, there are a lot of moving parts. Everyone's help is needed. If we wish to maintain the ability to keep our outreach free, we must have support from the community. This help can come in a variety of different ways including:

- Cooperate Sponsorship
- Private Sponsorship
- Donation Dens Sponsorship
- Nita Mobile Den Sponsorship
- One Time Donations
- Monthly Donations
- Goods Donation
- Donations of sellable items (Must Sign a Waiver stating that the item was designated for sale.)
- Donations for drawings or auctions
- Participate and Volunteer
- Spread the Word

2020 was, well... I do not need to say anything else about it. We are working on getting back to our annual events and adding a few new yearly fundraising possibilities. How can we help you? Call us and let us find out. We have partners that can turn any event into something very memorable. From Mountain Lion Entertainment, Theron Roberson, NOCO Mobile Gaming and more. We are planning on a rebound year with events ranging from Frisbee Golf for Epilepsy, a Family Movie Night in the Park, a return of Holiday Packages for the Deployed, the sixth Chili Cook-Off and Toy Drive for Northern Colorado Hospitals, and our annual Dare to Care Holiday food boxes and hot meals for the Community.

Each of these events will depend on sponsorships to get off the ground. Each event has its own unique package for sponsorships. Most packages will include the option of setting up a 10 X 10 booth to share your message and support of what we do. These packages are available to our merchant neighbors and the public, families that would like to have a lasting impact on our missions.

We need you. We want you to help us make a difference. There has never been a time that we need good people to stand together to help others. We are looking for a group of people who are not afraid to show compassion and understanding that everyone, at some point of time, needs assistance. Our ask is simple. Please, find a comfortable path of support within our program and please, share our mission with others who need our help. There is no reason why anyone needs to go it alone if we can all just Come Together!

Thank you for your consideration,

Zak Clayton
