*It is time for the 22 Hours of Discussion*

## **Community Mission to Rescue 22**

*Wednesday February 22nd*

*4AM EST/ 2AM MTN*

*to*

*2AM EST/ 12AM MTN*

***Join us as we open the discussion and talk about what we can do to help our heroes defeat the invisible demon. Sponsor an hour. Community Pay it Forward will dedicate a portion of every sponsored hour to the Heroes Both Country and Community and an in-kind share will go to help us create the Stand-Up Centers. A program for Community Hope. Offering free life critical needs to all. Contact us here: [https://www.4mycard.net/u/36ru/Zak\\_Clayton](https://www.4mycard.net/u/36ru/Zak_Clayton)***

Three ways to get involved. Pick one, pick all three. Just make sure your day is dedicated to helping us help others and saving our heroes lives.

### **Option #1:**

#### **Tell your story, Give us your Organizations Information**

*The current number of our heroes making end of life decisions is 47 a day. If this number does not decrease, by January 1st, 2024, we will have lost over 17,000 of our country's heroes. This cannot continue. We must be able to start a conversation, learn how to listen to the pain and problems they are encountering.*

*Join us if you can answer any of these questions*

*How do you start a conversation*

*Do you have a program to help our veterans*

*Tell a story of hope, heartbreak, or both about a hero, maybe yourself. Allow us to hear your story*

*Zak Clayton President/ Founder*

*(970) 909-0751*

*[zak@communitypayitforward.us](mailto:zak@communitypayitforward.us)*

*[calendly.com/fundraising-program/45min](https://calendly.com/fundraising-program/45min)*

*www.CommunityPayitForward.us*

*This is your chance to save a life. We cannot save 47 until we save the first one. Let's prove to our heroes there is hope. Let's help them find the solutions that they need. If we can give them the answers they so desperately need, we can make a difference. Please, join us in making this happen, and help us support and help our Veterans, those who are there to help them!*

## Option #2:

### Join our Family Partners Making Sales Support Missions

All of our partners will be participating in turning sales of February 22<sup>nd</sup> into supporting Veteran Missions, <https://www.communitypayitforward.us/honoring-our-heroes-both-country-co/>. Simply by asking others to shop with them on the 22<sup>nd</sup> and send a proof of purchase to the provided code and a portion of your sales can go to help save lives.

Turn your sales for a day into a way to support veteran causes looking to fight the invisible war that our heroes fight every day. You can find these missions on the website under Heroes Both Country and Community:

<https://www.communitypayitforward.us/honoring-our-heroes-both-country-co/>

Simply agree to join the Community Pay it Forward Family Partners on this day as we support organizations all over the United States to support our heroes all over the world! We will tell people you are part of the team and check in with you at a dedicated time.

3 Hour Guest Host spot in peak hours

\*Broadcast from your business for one hour We may need help finding a host.

Contact information scrolled across the bottom of the screen throughout the broadcast.

47 lives every day are being lost. All I am asking is for you to put your company, your experience, your story out there so it is available for others who are ready to support our heroes. This is way to important for only a few of us. We all need to come together for our heroes. For those who loved our way of life, our country enough to sign their names on a document of patriotism and love. With your help, lives can be changed. Please use this link for reaching out to me and let's change lives by saving them first. Your story could be a key to the answer for someone.
