

4th Annual Mission for Healthy Heroes

4th Annual Mission for Healthy Heroes

Saturday, February 22, 2025

Start Time: 4 AM EST / 2 AM MTN

End Time: 2 AM EST / 12 AM MTN

We are honored to invite you to the 4th Annual Mission for Healthy Heroes, a day-long event dedicated to serving those who served us. This year, we are amplifying our mission to tackle the invisible battles our heroes face, including mental health struggles, homelessness, and reintegration challenges.

Over the past three years, we've shared stories of resilience, heartbreak, and hope, while supporting organizations that work tirelessly to improve veterans' lives. Now, it's time to take this mission even further.

Together, We Make a Difference

This year, we'll spotlight **4 exceptional regional organizations** making a real impact. All donations and sponsorships will be divided among these groups, ensuring that every dollar helps veterans fighting unseen wars. Additionally, a portion of funds will support the creation of **Stand-Up Centers** through **Community Hope**, providing free, life-critical resources to those in need.

Please Apply Here:

Ways to Get Involved

1. Share Your Story

Your voice can inspire hope. Whether you're a veteran, family member, or advocate, your story could save a life.

- How did you overcome challenges?
- What solutions have worked for you?
- How can we better support our heroes?

2. Partner with Us

Join the **Community Pay It Forward Family Partners** and dedicate a portion of your business proceeds to this cause on **February 22 (or during the surrounding week)**. In return, we'll promote your partnership and share your mission.

For example, our partner **Carolyn Rasmussen** has set up a **Pampered Chef party** that will run throughout February 22nd, with proceeds supporting the four chosen hero-based missions. By simply promoting your products or services, you can make a meaningful impact on our heroes. When your customers purchase, have them provide proof of purchase. You can then submit a "finder's fee" as part of your donation. As we

do with the **Community Pay It Forward** program, we'll turn that donation into support for the missions that directly benefit our heroes.

3. Become a Sponsor

Flexible sponsorship opportunities allow you to make a meaningful impact:

- **Quarter-Hour Sponsor: \$100**

We will interview you and ask you to help us interview a guest who has dedicated their life to serving and supporting our heroes. Your name will scroll at the bottom and top of the hour, and your name will be printed on the [Mission for Healthy Heroes page](#).

- **Full-Hour Sponsor: \$150**

We will interview you and ask you to help us interview up to 3 guests who have dedicated their life to supporting our heroes. Your name will scroll at the bottom and top of the hour, and your name and logo will be printed on the [Mission for Healthy Heroes page](#).

- **4-Hour Sponsor: \$250**

We will interview you and ask you to help us interview up to 7 guests who have dedicated their life to supporting our heroes. Your name will scroll at the bottom of the screen throughout 4 non-consecutive hours. Your name and logo will be printed on the [Mission for Healthy Heroes page](#) and shared on our event flyer.

- **Event Co-Host: \$400**

We will interview you and ask you to help us interview up to 12 guests who have dedicated their life to supporting our heroes. Your name will be scrolled throughout the 22-hour program. Your name and logo will be featured on the [Mission for Healthy Heroes page](#), the event flyer, and in a 30-second spot every hour.

Why This Mission Matters

Every day, veterans face unseen battles. The suicide rate among our heroes is devastating, but together we can provide solutions, bridge gaps, and remind veterans they are never alone.

“We cannot save them all until we save the first one.”

Let's prove to our heroes that hope exists.

How You Can Help Today

- **Donate:** Contribute directly to our mission via our website.
 - **Participate:** Share your time, story, or resources.
 - **Spread the Word:** Help us reach more people by sharing this event.
Join us on **February 22, 2025**, for a day of hope, healing, and change. Helping one veteran means helping us all.
