Together, We Build Stronger Communities

One Purchase at a Time.

What We Do

Community Pay it Forward provides a simple way for community members and businesses to create meaningful impact through their everyday transactions. When you support a Giving Partner, a portion of your purchase is directed to Mission Partners—people in your community who need a helping hand.

With the Come Together Movement, we make it easy to turn ordinary purchases into extraordinary acts of kindness.

How It Works: The Come Together Movement

Step 1: Download

- Visit www.CommunityPayitForward.us
- Download or save a copy of your receipt after shopping with any Giving Partner

Step 2: Select

- Choose the person or organization whose mission you wish to support

Step 3: Shop

- Shop with any participating Giving Partner as you normally would

Step 4: Support
